

Dear Parents,

My name is Acie Lumumba, I am an investment consultant for LonZim, Renaissance Capital, Zimplats and more but importantly in respect to this letter I have a community grassroots think-tank on community development called **Hatfield**.

On the **25<sup>th</sup> of August at 5pm** I am hosting a Town Hall/community/think-tank meeting at **Hatfield Hall** called **Solutions for Hatfield Forum (SFH)** for 300 members of the Hatfield community. The purpose of the meeting is as follows:

- **To give residents an opportunity to air what they feel are challenges in the community.**
- **To give resident an opportunity to air what they feel are solutions to those challenges.**
- **To launch a fortnight forum/think tank that discuss challenges and solutions in the community and how the community can play a role.**

The reason I am writing you is to invite you and your family to be a part of the guests as parents with a child attending a community school. There will be a listening panel made up of **Minister of Youth Development, Indigenization and Empowerment- S.Kasukuwere. Minister of Economic Planning and Investment Promotion- T.Mashakada, Minister of Education, Sports and Culture- D.Coltart.**

The reason for selecting such a panel is because the issues for the night are **education, employment & enterprise**. Can I make explicit that the Solutions for Hatfield Forum is in no way a political vehicle but one that focuses on how the community can develop.

In support of community building we will be sponsoring the **repainting of Hatfield Hall and its sporting facilities from 19-21 August** from 9am as part of our long term community rebranding. To make it fun we are inviting schools and churches to participate; the school/church with most people assisting in the exercise will win a complete football kit for the next sporting season.

Your presence will be highly appreciated as we consider your family to be a key stakeholder in this effort to put our community on a path of development. Teas and eats will be served; also transport assistance available.

Kind regards

*Acie Lumumba*
